Certificate of Entitlement (CE) – New Cycle

- Q: I am a new retiree and would like to know when I should expect my Certificate of Entitlement (CE)
- A: If you have received less than six monthly payments by **May**, you will not receive a CE for the current year.
- Otherwise, the CE is sent at the end of May (2016) with a reminder in September(2016) for those who do not return the May CE. If none of CE is received by the Fund, and no other Original Document or email is received by November 2016, the next pension will be suspended. Below the link for all information on the 2016 CE.

- Q: For me, I have just received the CE, but how do I fill it?
- A: You just need to date and sign at the indicated fields as shown the following slides

Certificate of Entitlement (CE)

Q: What to do if by mid-October, I do not receive neither the original CE (May) nor the Reminder (September)?

A: If that happens, please write and send an **Original Letter**, with your signature to inform the Fund your non-receipt of the CE and **confirm your mailing address** in that letter.

There is a review prior to the suspension, and your pension will not be suspended if we find the original letter in file. We will send you another CE to sign as the Original CE is still required.

Certificat de Droit à Prestation (CE)

Q: What if for whatever reason, my pension is suspended due to your non-receipt of my CE. What should I do?

A: Your payment will be reinstated retroactively once we receive a **signed Original CE from you**. The reinstatement process is a long process where the suspended payments will be reissued separately and we will re-establish the monthly payments.

Important: After Service Health Insurance (ASHI) deductions will **NOT** be done when the payment is suspended! Extended period of suspension can lead to termination of ASHI due to missing premiums. Benefits will be forfeited if the suspension lasts 2 years or longer. 10

Quarterly Notification

DUE TO THE MOVE FROM LEGACY TO IPAS, NO QUARTERLY NOTIFICATION WAS GENERATED FOR OCTOBER 2015 AND JANUARY 2016 QUARTERS.. THE PAYMENT DETAILS FOR **THESE QUARTERS ARE AVAILABLE IN YOUR MEMBER SELF SERVICE (MSS) JULY 2016 NOTIFICATIONS WILL BE** SENT SOON 12

Survivor's Benefits

Right to a pension

Q: If I pass away, will my spouse have a right to a pension?

A: A survivor's benefit is payable to surviving your spouse if you have the right to a monthly pension, and if the surviving spouse has been married to you prior to your separation from service and remained married to you until death.

Interpretation of Marriage by the Pension Board (2016 version):

The Pension Board has extended the interpretation of marriage to unions/partnerships lawfully entered into and legally recognized by the competent authority of the location where the status was established as long as the union confers the similar legal effect as marriage, specifically including pension rights.

Right to a Pension

- Q: Under which circumstances would my spouse not be entitled to a benefit?
- A: A widow/widower's benefit would not be payable if you have separated from service prior to 01 April 2001 and opted for a deferred retirement benefit with Lump Sum.

Or

If the marriage was contracted after Separation from Service and that no annuity has been purchased under Article 35 ter.

Administrative Procedures

Q: Upon death, what will the spouse need to do to establish the survivor's benefit?

A - The Fund reviews the file to see what documents are already with the Fund, among the checklist below. All pension forms are needed in **Original** while the Fund accept copies of other documents.

Required Documents

Copy of the retiree's Death Certificate

- Copy of the Marriage Certificate
 Copy of Spouse's Birth Certificate

- 2. Officials of the United Nations System
- 3. Local Government Authorities (City Hall), Consular Authorities

Q: How much will my spouse receive as widow's benefit?

- A:
- In general, the amount equals half of the retiree's full pension (before any lump sum commutation)
- This amount is payable for life and is adjusted for cost of living adjustment.

Transition from Retiree to Survivor

- Q: If the date of death is in mid-month, do I have the right the full month's benefit?
- A: Yes, the retiree has the right to the full amount of the month of death. The spouse has the right of the pension on the first day of the month following the death.
- Q: How long would my spouse have to wait to receiving her survivor's pension after my death?
- A: If the Fund receives the required documents in <u>good order</u>, we establish the survivor's benefit within 4 to 6 weeks. The Fund is currently experiencing some delays in establishing survivor's benefits. A Task Force has been established to 23 analyze and process Survivor's Benefits.

Survivor's Benefit: Recommendation

- Q: What can I do to facilitate the establishment of my spouse pension after my death?
- A: Please establish a pension file for your spouse where you can pre-fill out the Pens. E/2 form.

SYSTEMS OVERVIEW

CURRENT OVERALL SYSTEM SETUP

FUTURE OVERALL SYSTEM SETUP

- Possibility to aggregate or Disaggregate two or more payments going to the same Payee
- Possibility to go Paperless
- Possibility for retirees with small pensions to receive scheduled arrears payments in nonmonthly intervals
- Possibility for retirees on the USD Track to print their Certificate of Entitlement Online (effective 2017 CE)

Possibility to aggregate or Disaggregate two or more payments going to the same Payee

- It is now possible for retirees with multiple retirement numbers to combine their payments as long as they are paid in the same currency to the same person with the same payment instructions
- It is also possible to remove one or more retirement numbers from the aggregated payments and have it or them paid separately
- It is possible to unite a child benefit with the main benefit after it
 has been separated (was impossible under PENSYS)

- For those who do not wish to receive notifications by mail, they can use the "Yes Paperless" option in Member Self Service to stop mail notifications.
- For beneficiaries on the Two-Track, the Certificate of Entitlement (CE) will still be sent by mail as it also serves as proof of residence for the period.

Possibility for retirees with small pensions to receive scheduled arrears payments in non-monthly intervals

- Beneficiaries with small pensions (\$400 or less) can choose to receive payments Quarterly, Semi-annually or Annually.
- Upon request, the payment will be scheduled at the end of the third month (3 payments), sixth month (6 payments) or twelfth month (12 payments) depending of the choice.
- Unlike before, the payment is released as part of the payroll payments and is made through local clearing systems to avoid bank charges for most cases.

Possibility for retirees on the USD Track to print their Certificate of Entitlement Online (2017)

- Beneficiaries on the US Dollar Track will receive a copy of their Certificate of Entitlement on their Member Self Service
- They will then print the CE, sign it and return it in Original
- The Original CE will still be mailed unless the beneficiary has selected the "Yes Paperless" option

PROMISES AND CHALLENGES MADE IN MAY 2015 WHEN IPAS WAS PRESENTED TO FFOA IN ROME

THE GOOD NEWS

Although it does look complex, ultimately, ALL retirees will receive continuous payments at the end of each month as it is done now. **Promise Kept 100%**

We are currently testing payments from IPAS to selected retirees. So far, we successfully tested real payments to retirees in the following currencies: USD, EUR, GBP, DKK, NOK, SEK, SGD, AUD, CAD, and JPY. These payments were all successfully received by the retirees. It may seem normal that retirees continue to receive their pension, but this was due to successful: conversion of the payroll and cost of living databases; reconciliation of the payroll; implementation of ASHI in the new payroll; re-write and test of all electronic bank files, Check Printing and Payments by List; testing an verifying over 640 possibilities of changing banking instructions, as well as all other payroll maintenance (suspensions, deletions, reinstatements, adjustments), including the new features discussed earlier. **ALL of this successfully implemented.**

When the decision is made to turn on payments from IPAS, it would be after we have ensured that at least ALL beneficiaries receiving payments now will continue to receive them, and the transition will be seamless for them. **Promise Kept 100%**

THE CHALLENGE (we are now experiencing all of them)

We need down time to convert the legacy systems to IPAS. Therefore, we will have periods during which we can't process benefits and we can't access our systems.

Although staff have received proper training, it will take time for staff to fully grasp the new system and process cases with the same speed as now

Therefore, delays in both correspondence and payments to newly separated staff is to be expected.

Since we are now disclosing more information through Member Self-Service (MSS), we expect more queries. But Client Services capacity has not yet been increased. So the increase in workload per staff will automatically increase the response time

CONCLUSION

We will NOT have the perfect system at Go-Live, but with the necessary resources, we will make it perfect as we go along. Nevertheless, we can't go live if payment systems are not perfect. Payment Systems work perfectly. All newly calculated pensions are paid, and all retirees are being paid as normal.

So it may look as if we took a few steps back, but that is to prepare ourselves to make a big leap into the future. It does feel this way now, but we keep improving the system on a monthly basis and the staff experience and processing numbers are growing steadily

The Fund staff have a wide experience in implementing large scale project (Banking Interface, Content Manager, Lawson Financials, Web-based ASHI, etc.). We are working tirelessly with the interest of the Fund and its constituents in mind. **Continues to be true.**

Making payments to beneficiaries is our «raison d'être». Making sure we make payments is our **Number 1 Go-Live Critical item**. **Continues to be true**

Welcome to UNJSPF Member Self-Service

This page is your guide to the UNJSPF Member Self-Service or MSS. Member Self-Service was developed to help members gather the information that they need when they need it. This is an extension of the new comprehensive computer system (Integrated Pension Administrative System or IPAS) that was launched in 2015. This system will safeguard your information and support the Fund for decades.

Member Self-Service will continue to be upgraded. It provides real-time information on members' accounts. Members can access Annual Statements (for participants in the Fund), there is an estimate tool where participants can calculate their potential future benefits, retirees can see when their Certificate of Entitlements or CE was received and registered by the Fund, and much more.

Below is a list of standard forms used by the UN Pension Fund. The forms are formatted for US letter-sized paper, which is slightly smaller, but should print without problems on international standard, A4. The 'Type & Print' feature allows users to type their information directly into the PDF forms. Once the information is typed in, the form must be printed and signed. The UNJSPF currently accepts ONLY printed and signed forms. No e-mails or faxes are accepted. Forms are in PDF format. In order to view or print them, you will need Adobe Reader, version 11 or later. For printing the e-forms in PDF format, choose 'Actual Size' option under the Page Sizing & Handling section.

Please be aware that if you are in receipt of more than one benefit from the Fund, you must include all those Retirement numbers to which the change you are requesting shall apply, particularly for the following forms 'PF 23, PF23B, E10, E11, A2'
