# UNFCU is a credit union...

## DEDICATED TO SERVING THE UN COMMUNITY

There are more than 57,000 financial cooperatives around the world. The United Nations Federal Credit Union (UNFCU) was founded by thirteen United Nations staff members in 1947.

UNFCU's main features:

- It offers a full array of financial services
- It has 3 important characteristics:
  - Not-for-profit
  - Member-owned cooperative
  - Services only one type of membership – the United Nations community.
